OUTDOOR PROTECTION SINCE 1904

WELCOME TO THE PORTWEST 2013 SPRING / SUMMER BROCHURE

Our 2012 brochure is packed with great value outdoor gear for everyday adventures.

Portwest have been manufacturing high quality clothing for over 100 years. Based in the west of Ireland where the landscape is rugged and the weather unpredictable our range is designed and tested to provide superior protection in the outdoors.

Our Range for spring summer 2013 includes a new range along with existing styles at great value prices.

KEY TECHNICAL SYMBOLS

WATERPROOF

A Portwest fabric that has been developed to form a barrier against water, keeping you dry and protected on those wet days.

WICKING

The 'Wicking' process allows moisture to evaporate through the garment. Wicking fabric is both durable and practical to wear allowing the wearer to be comfortable and dry throughout their daily routine.

WIND RESISTANT

Our wind resistant fabrics offer protection against the chilling effects of the wind.

INSUL - TEC

Insul-Tec are comfortable and warm fleece fabrics offering an anti-pill finish making the fabric durable quick drying and are perfect as a single layer or worn under your waterproofs.

BREATHABLE

This Portwest fabric has been scientifically developed with our customer in mind, it is designed to wick moisture away from the body and pass through the outer fabric keeping you cool and comfortable.

RETAIL BAG

This symbol indicates that this packaging aids product presentation for retail sales. All other styles are packed in flat-pack plastic bags to keep items clean.

VENTRON

Ventron is a specially developed fabric offering a high performance waterproof and breathable layer ideal for a range of outdoor activities.

SOFTSHELL

Portwest Softshell garments are a new innovative way to protect you from all the elements, the softshell fabric is waterproof, windproof, breathable and light.

CORPORATE INFORMATION

Portwest also supplies a range of corporate uniforms, workwear, team clothing & promotional wear. We supply all business types from blue chip companies to local sports clubs throughout Ireland and Europe.

CUSTOMISATION

Why not customize your clothing with your company name or logo to give you a professional image whilst promoting your brand.

BESPOKE SERVICE

At Portwest, we have the expertise to offer our customers in-house design and manufacturing of special garments for companies who require something different. We understand the growing need for customised products and can offer a unique bespoke service that meets your exact individual specifications e.g. a garment in a non-standard design, colour or size.

CONCEPT, RESEARCH & DESIGN

Our dedicated team of six in-house designers will manage each bespoke project from start to finish. This includes working closely with the customer to establish the purpose and role of the garment, sourcing of the best raw materials, amending any aspects of the specification as required, the sampling of garments before production, quality control and testing.

OWN BRANDING

Customers can select any Portwest garment and have their own branding added to labels and packaging during production.

PORTWEST STORAGE FACILITY

Why not let us store your goods? We can provide storage for your items in our huge stock holding facility in a safe and secure environment with hassle free access to your goods when requested by you.

For more information please contact your local sales representative or contact our customer service team.
