

Pasta- /spaghetti spoon

Material:

3 blades styled in 18/10 high mirror polished stainless steel
3 extra 'hidden' blades transformation to a spoon styled in PP material
Diameter 102 mm x height 221 mm

Note:

Spaghetti or pasta?

- Beautiful design icon standing out from the plateau
- Remarkable innovation
- Rethinking the functionality
- High performance of functionality

Using points:

3 blades styled in 18/10 high mirror polished stainless steel.
3 leaves styled in PP material making the side edge fingers grab the spaghetti perfectly.
Transformation...
3 leaves closing the steel blades – now it appears as a beautiful spoon for pasta.
Easy 'click-off' technique into heat resistant silicone for smooth cleaning.
Suitable for dishwasher.
Heat tolerance up to 90° degrees Celsius.
