

Soup spoon

reddot design award
winner 2007

Material:

Styled in 18/10 high mirror polished stainless steel pour from all sides
Diameter 103 mm x height 277 mm

Note:

How to pour?

- Beautiful drop shaped body standing shamelessly out of the soup.
- Styled in 18/10 high mirror polished stainless steel.
- Visual attraction – 'mirror' effect from the bottom along side the hollow handle.
- Rethink how to pour... pour from all sides.
- Can be used in a normal saucepan or together with the EGO soup tureen styled in porcelain.
