

Caffe latte glass

reddot design award
winner 2008

Material:

Styled in clear quality glass and 18/10 stainless steel.

Available as individual pieces or in beautiful expression of 2 sets in a gift box.

Note:

The EGO Cafe' glass with the innovative 'propella' spoon gives you a modern and stylish way to enjoy your favourite coffee.

A taste of Scandinavian clean idiom mixed with the best strong flavour from Italian coffee.

Beautiful and clean design that can only make your enjoyment of coffee even greater.

The spike underlines the strong EGO DNA still with a flat outside bottom to fit the 'demand' from dishwasher.

Use the Propella spoon for taste, stirring and spoon and place it in your pocket!

A good coffee-start for a good day!

Suitable for dishwasher.
